Report of the trustees

For the year ended 31 March 2015

The trustees present their report and the unaudited financial statements for the year ended 31 March 2015.

The reference and administrative information set out on page 1 forms part of this report. The financial statements have been prepared on the accounting policies set out in note 1 to the financial statements and comply with the charity's Trust Deed, applicable law and the requirements of the Statement of Recommended Practice, "Accounting and Reporting by Charities" revised in March 2005.

Structure, governance and management

The Starehe Endowment Fund (UK) was formed by Trust Deed on 2 March 1994 and changed its name to Starehe UK on 17 July 2008. The Trust's principal aim is to support the Starehe Boys' and Starehe Girls' Centres in Nairobi, Kenya, and is set out under objectives and activities below. The charity is governed by its trustees who meet annually.

Following the end of the successful StareheFuture Appeal in late 2011, an Appeal Coordinator, Malin Rosenkvist, was appointed to manage the Appeal, and certain continuing donor activities. Malin completed this work in February 2013.

Trustees considered that the continuing liaison between the schools and existing and potential donors in the UK necessitated continuing, though scaled back, administrative support. A Charity Coordinator position was established in February 2013, and Michael Burton has performed this role, on a part time basis, since then.

Trustees

The trustees who have served throughout the year are shown on page 1. New trustees are appointed at the discretion of existing trustees.

Tim Faithfull was appointed Chairman, as of 1 April 2013, succeeding Paul Whitehouse. Paul continues as a trustee. He was Founder Chairman of Starehe UK, and its prior UK bodies for over 40 years. As a former volunteer at Starehe, between 1963 and 1964, and with his continuing involvement with the schools and the funding arrangements in the UK, Paul provides substantial experience and judgment to the Trust.

Tim Faithfull has been a trustee since 1994, and was chairman of the Management Committee at Starehe Boys' Centre between 1985 and 1989, whilst working in Kenya.

David Kisiaky was appointed Treasurer in 2012, and continues in that role.

During the year Lawrence Mbugua, an Old Stareheian stepped down as a trustee. Lawrence had moved his business from the UK to Kenya, and had therefore decided he could no longer play a full part in Starehe UK. The trustees wish to record their thanks to Lawrence for his contribution to the trust.

Starehe UK

Report of the trustees

For the year ended 31 March 2015

Trustees serve for a fixed period, usually five years, at the end of which they may offer themselves for reappointment for a further period. In 2014, Lord Valentine Cecil, Keith Price, and Carole Spencer each reached the end of their fixed term, were willing to continue to serve, and after discussion by the other trustees, were reappointed for five years.

For the period of this report, the secretary to the trustees was Michael Burton.

Details of all trustees and the secretary are available on the Starehe UK website.

Objectives and activities

The purpose of the Trust is the furtherance of the education of pupils at both Starehe Boys' Centre (from 1994) and Starehe Girls' Centre (from 2005) schools which provide free secondary education to needy children in Kenya, although the trustees have discretion to apply the funds to other similar causes. This is done by the provision of funds for such capital or income expenses as the trustees shall think fit and in particular by the provision of bursaries to fund the education of poor or orphaned children at both schools. The Trust Deed empowers the trustees to support the general purposes of such charitable bodies or for such other purposes as shall be exclusively charitable, as the trustees may from time to time decide. The trustees have considered the Charity Commission's guidance on public benefit when planning their activities.

Achievements and performance

Starehe UK is indebted to a number of individuals and organisations for their fundraising support in 2014/2015, including:

- Independent Franchise Partners for sponsoring girls at Starehe Girls' Centre;
- Next PLC for choosing StareheFuture as its charity partner to benefit from the May 2015 'bouquet of the month' by Next Flowers with 10% of each bouquet sold donated to the Appeal;
- The Big Give and the Reed Foundation for choosing StareheFuture to participate in the annual 'Big Give Christmas Challenge';
- Citi Foundation for continuing their support of Starehe Girls' Centre;
- Gwyneth Forrester Trust for supporting the work of the Starehe Centres;
- The continued support of The Marianne Foundation, and The Umbrella Tree Trust;
- The Horsell Rainbows who sponsor a student at Starehe Girls' Centre;
- We would like to express our appreciation to the BBC for inviting students at Starehe Boys' Centre to create a news feature for their School Report News Day on 19 March 2015, bringing the voices of the Starehe students to their online visitors; and
- We are also sincerely thankful to all the individuals, schools, colleges and organisations that support students through sponsorships and regular donations.

Finally, Starehe UK continues to be indebted to Shell UK for the company's ongoing and very generous gift-in-kind of office space, and associated expenses, for the coordinator role.

During the year ended 31 March 2015, the Trust's total incoming resources were £148,333, of which £80,037 were from donations of various types, and £68,296 were from growth and income from investments.

A total of £97,807 was distributed to SBC, and £119,099 to SGC, covering both contributions to places and for agreed infrastructure projects, as well as general support.

Financial review

Sources of funding

The charity's funds have been secured through two major appeals in the UK, Aim High 1996-98 and StareheFuture 2008-2011. In addition, the charity receives regular sums from donors, the majority of which are specified for the support of individual students, and which flow through to the schools.

Reserves policy

It is the policy of the charity to maintain its free reserves at a level which generates sufficient income to enable it to meet annual funding requirements agreed with the two schools, and to respond to emergency needs which arise from time to time. As the Fund is intended to provide an assured source of income to both schools, it necessarily has substantial investments which are shown in the accounts as unrestricted funds.

Investment policy and performance

The trustees have a policy to maintain investments to ensure that a sufficient level of income is generated to fund the ongoing operational needs of the charity.

The period under review has been one of strong equity market returns, driven by a reasonably broadly-based economic recovery and very favourable liquidity conditions bolstered by the actions of the central banks.

Economic fundamentals have continued to improve in the US, with falling unemployment and improving corporate profitability combined with a more confident consumer (influenced by lower oil prices) and a strengthening dollar helping the FTSE North American Index to return 25.1% over the year to 31 March 2015.

In the UK, lower oil and food prices have been a boost for the consumer and have helped in suppressing inflation, while conditions in labour markets and corporate profitability have shown a marked improvement. Whilst the picture in the rest of Europe was not as strong during 2014, the introduction of quantitative easing in March this year, a depreciating euro benefiting exporters, lower energy prices and stronger banks are now starting to help lift economic growth. The FTSE All Share and FTSE Europe Ex-UK delivered returns of 6.6% and 7.5% respectively over the review period.

In China, conditions have become more volatile with households and monetary institutions having to face up to the consequences of property and credit bubbles. Most recent economic indicators have pointed to the likelihood that growth will fall some way short of the downwardly revised target of 7%. Despite these concerns, the FTSE Pacific Ex-Japan Index managed to return 12.8% over the year.

Despite interest rates remaining at the bottom end of their historic range and UK, US and German government bonds all offering negative inflation-adjusted returns, the FTSE Government All Stocks Index recorded a return of 13.9%. Corporate bonds similarly boasted impressive results over the review period with the Merrill Lynch Non-Gilt Index returning 13.3%.

Starehe UK

Report of the trustees

For the year ended 31 March 2015

The Starehe portfolio produced a total return of 8.2% over the year to 31 March 2015, a period when the RPI increased by 0.9%. The portfolio's US and Asian equities produced index-beating returns of 26.5% and 14.4% respectively while the return of 16.7% from its commercial property investments also made an important contribution to performance. The portfolio's overall return was slightly behind its tailored benchmark return of 9.3% due largely to the defensive strategy adopted of favouring short/medium dated investment grade corporate bonds to longer dated gilt issues. Over 3 years to 31 March 2015, with a return of 9.4% pa, the portfolio has outperformed its benchmark by 0.3% pa and the RPI by 7.2%pa. Over the 5 years to 31 March 2015, the portfolio and its benchmark have both produced returns of 7.6% pa. while the increase in the RPI has been 3.1% pa.

The trustees decided at their annual meeting in June 2014 that they should conduct a review of fund management arrangements, as part of good practice. They subsequently invited and received proposals from a number of firms. The decision was made to appoint Smith & Williamson as fund managers, to take effect on 1 April 2015.

The trustees are grateful to Cazenove Capital Management for its efforts and success over many years in both managing SUK's funds, and for the advice that they have received from CCM on a number of occasions.

Risks

The trustees have examined the major risks which the charity faces and confirm that processes are in operation to enable these risks to be mitigated:

- Funds are managed by a reputable manager, with whom the trustees have established clear parameters for risk exposure, asset allocation, and income levels;
- Strict controls are applied to operation of bank accounts; and
- Regular communication takes place with the two schools on the deployment of funds.

Plans for the future

The charity aims to continue to provide both annual income and capital development support, as agreed from time to time with the schools, and in furtherance of donors' specific wishes, whilst increasing the capital value of the endowment in the medium term.

Report of the trustees

For the year ended 31 March 2015

Statement of responsibilities of the trustees

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the period and of its financial position at the end of the period. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees confirm that to the best of their knowledge there is no information relevant to the independent examination of which the examiner is unaware. The trustees also confirm that they have taken all necessary steps to ensure that they themselves are aware of all relevant information and that this information has been communicated to the examiners.

Independent examiners

Alison Godfrey FCA of Godfrey Wilson Limited was appointed as the charity's independent examiner during the year and has expressed her willingness to continue in that capacity.

Approved by the trustees on 31 July 2015 and signed on their behalf by:

Timothy Faithfull - Chairman

David Kisiaky - Treasurer

Independent examiners' report

To the trustees of

Starehe UK

I report on the accounts of the charity for the period ended 31 March 2015, which are set out on pages 8 to 17.

Respective responsibilities of trustees and examiners

The trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the ICAEW.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiners' report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiners' statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act;
 - to prepare accounts which accord with the accounting records and comply with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005) and the accounting requirements of the 2011 Act; have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

For the year ended 31 March 2015

1. Accounting policies

a) Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards and the Charities Act 2011. They follow the recommendations in the Statement of Recommended Practice, Accounting and Reporting by Charities (revised 2005).

b) Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

c) Charitable expenditure

Resources expended are recognised in the period in which they are incurred. Resources expended include attributable VAT which cannot be recovered.

d) Funds accounting

Restricted funds are subject to specific restriction specified by the donor be it purpose, geographical area, or the specified purpose of an appeal.

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

e) Investments

Investments are stated at market value at the balance sheet date. The statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

f) Foreign currencies

Transactions in foreign currencies are translated at rates prevailing at the date of the transaction. Balances denominated in foreign currencies are translated at the rate of exchange prevailing at the year end.

Starehe UK

Notes to the financial statements

For the year ended 31 March 2015

13. Movements in funds (continued)

Transfer between funds

In the previous year a donation of £25,000 was received from the Gwyneth Forrester Trust and this was treated as unrestricted. In the current year, the trustees agreed that the donation should have been recognised as restricted funds. A transfer between funds has been posted to reflect this.

There was an underspend of £1,026 on a music project which was part of the restricted fund Capital Projects - Starehe Girls' Centre. This was transferred at the donor's request to the restricted fund Sponsorship - Starehe Girls' Centre.

14. Post balance sheet event

Trustees decided during the year that it would be best for the long term future of the charity if it were to become a Charitable Incorporated Organisation (CIO). The Charity Commission approved an application for the registration of Starehe UK (a CIO) Registered No. 1158079 on 1 August 2014. Trustees met on 4 August and agreed to dissolve this charity and pass all its assets to the CIO on 1 April 2015. The trustees of the new charity are Tim Faithfull (chair), Will Cavendish, Lord Valentine Cecil, David Kisiaky (treasurer), Keith Price, Carole Spencer, Helen Varma, Mark Webb and Paul Whitehouse. Its secretary is Michael Burton.
